

# SARNCO Campus Advocacy for The Ohio State University

## Confidential support for survivors of sexual violence from the Sexual Assault Response Network of Central Ohio (SARNCO)

SARNCO's campus advocacy coordinators serve survivors of sexual violence for The Ohio State University community.

### We provide:

- + Confidentiality
- + Respect, emotional support and listening
- + Safety planning
- + Crisis response
- + Information about other options
- + Connection to other campus and local resources

### We support:

- + Students
- + Faculty
- + Staff
- + Visitors

*SARNCO advocates do not provide counseling, legal services or legal advice, or case management – but can connect you to options for those services.*
