How to use this Guide:

Welcome to The Ohio State University Student Wellness Resource Guide! In this document you will find on-campus resources for undergraduate, graduate and professional students, relating to the nine dimensions of wellness, emergency response and diversity, equity and inclusion. Resources are listed below in sections and in alphabetical order. Additionally, the title of each resource is linked to their webpage and includes a brief description with contact information (if applicable).

We encourage you to familiarize yourself with the resources that are offered on our campus and listed in this document. To quickly search this document, use the “Ctrl + F” feature and type in key search words to easily locate the correct resource. Additionally, if you would like to quickly jump through each of the different sections, the “Table of Contents” is equipped with internal document navigation.

Ohio State is a resource rich institution with many of our resources falling into multiple categories. To condense the information offered here, all resources are only listed once in the document. However, they may apply to multiple dimensions of wellness.

Finally, we are happy you are here and hope that you not only learn more about what our campus has to offer but also assist our students in connecting to valuable resources!
